Police club is a DLC for the Escape from police game. In the game your task is to drive fast, but carefully, you must collect as much money as you can and survive as long as possible. Sounds too easy? But make no mistake, in reality it is much more difficult:

- Police cars are hunting you, so you should be very careful and react really fast.
- Police cars are not your only problem, sometimes comes the police helicopter and this machine is much faster and maneuvered than a car.
 - And even this is not all, a lot of different obstacles will appear on your way.
 - More time you are playing, more obstacles will appear.

And each time you are die the police officers are celebrating. In this DLC you can see how they are doing it.

The content of this DLC will be available from the game main menu.
